answered and after ample time for discovery filed a motion for summary judgment seeking dismissal of all of Plaintiff's claims. The district court granted Defendant's motion for summary judgment in a lengthy order filed September 16, 2003, and entered a final judgment in favor of Defendant on the same date. Plaintiff filed a timely appeal to this Court.

We have carefully reviewed the briefs, the record excerpts and relevant portions of the record itself. For the reasons stated by the district court in order granting Defendant's motion for summary judgment, we affirm the final judgment entered in favor of Defendant. **AFFIRMED.**
